OF CENTRAL OHIO

25 YEARS OF TURNING EMPTY HOUSES INTO HOMES OF HOPE!

*It's more than furniture to a local family in need.*

Since 1998, we have been dedicated to reducing the impact of **poverty** by providing **essential furniture** to local families and individuals struggling with severe life challenges. But we provide more than that. To our families, their **furniture** symbolizes **hope, relief, stability**, and a **future** as a family.

On average, we provide essential furniture to **3,300 families** every single year. How? We collect **furniture donations** from generous individuals and businesses around Columbus. We then connect with a **family in need** through one of our **75+ referring agencies**. Soon after, a family comes to the Furniture Bank to handpick **5-20 pieces of furniture** for their home. We **deliver** their new furniture and home goods that very day.
