Combined Sponsorship Opportunities: *Big Hearts + Create for a Cause*

For years, our community has come together through Big Hearts, our signature gala, to transform empty houses into homes filled with hope. While we haven't gathered in that format recently, we are thrilled to share that the spirit of Big Hearts lives on through Create for a Cause, hosted by our long-time partner King Business Interiors. Your sponsorship ensures families in our community have the furniture and dignity they deserve, while giving your business valuable recognition across both beloved traditions.
