

**A SPECIAL DAY OF
GIVING TO SUPPORT
LOCAL STUDENTS'
DREAMS, HEALTH, &
WELLBEING**

IT'S MORE THAN FURNITURE TO A LOCAL FAMILY IN NEED.

Since 1998, we have been dedicated to reducing the impact of poverty by providing essential furniture to local families and individuals struggling with severe life challenges. But we provide more than that. To our families, furniture symbolizes hope, relief, stability, and a future as a family.

On average, we provide essential furniture to 3,100+ families

every single year by procuring furniture donations from individuals and businesses around Columbus. We connect with families in need through one of 75+ referring agencies; families then handpick furniture from our showroom, which is delivered that very same day.

Sleep Well, Dream Big raises funds in celebration of National Relaxation Day to support local students as they prepare for a new school year. Research affirms that essential furniture, like a proper bed, is crucial for overall wellbeing, academic achievement, self esteem, emotional regulation, and future goal attainment. We aim to bring a good night's sleep to every local student in need, setting them up for success.

3rd

largest Furniture Bank in
North America

75k+

local families served since our
founding in 1998

90%

of our families earn less than
\$18,000 a year

Be a sponsor, and be a part of something big.

Sleep Well, Dream Big provides funds to serve and furnish the homes of dozens of families - in just one day. By sponsoring, you directly provide:

Essential furniture

Each family visits the Furniture Bank to hand-select 5 to 20 pieces of essential furniture and goods to fill their homes. With same-day delivery of their beds, dressers, tables, chairs, sofas, and more, they receive an average value of \$2500.

A brighter future

With 1 in 4 Franklin County children living in poverty, every tool to improve their future matters. A bed for a full night's rest directly improves a child's development, behavior, and success in school - helping them build a brighter future.

Self- Sufficiency

Without the worry of their children having to sleep on the cold floor, parents are better focused and able to improve themselves and address the deeper challenges they face, allowing them to achieve independence and self-sufficiency.

Hundreds of families in our community are counting on the generosity of community-minded organizations like you. Through Sleep Well, Dream Big, every cent of your generosity helps make a big local impact.
